

# Australian Government Information Security Manual Changes Document

DECEMBER 2018

## Content changes

Minor grammar errors were identified and fixed within the following guidelines:

- *Cyber Security Guidelines*
- *Guidelines for Cyber Security Roles*
- *Guidelines for Communications Systems*
- *Guidelines for Evaluated Products*
- *Guidelines for System Management.*

An outdated link to a website was identified and updated within the *Guidelines for Outsourcing.*

## Security control changes

No security controls were changed.
